BRIEF ABSTRACT OF LETTER.

States that the chairmen of the three Committees are of-opinion that the rate of T.A. to the ~~non~~ non-official members of Distt Committees may be the same as for members of Distt. Boards - viz. 4as mileage & railway fare double 2nd class — and requests sanction to the rates being fixed accordingly.

NOTES AND ORDERS.

16-V

According to para 9 of the G.O of the 19th May 1911 as republished under the G.O of 21.7.1911, the Distt Committees are to be composed of Officials, R.A. members, and non-Official. It is presumed that the Official members are to get their usual rate of T.A.

2) It is not clear if the term 'non-official members' as used by the Provincial Secy is intended to include Rep. Assembly members who are distinguished from non-officials in the G.O. of 21-7-11. When ~~[illegible]~~ the question of paying T.A. to R.A. members for journeys performed to attend preliminary meetings in connection with the R.A. ~~[illegible]~~ was raised ~~to~~ in 1907, it was ruled that 'members are not entitled to any travelling allowance'. In this case, however, it is perhaps not the intention to make any distinction between non-officials who are R.A. members and those who are not such.

Notwithstanding that actual expenses incurred is a limit is always a source of constant annoyance to the members as they will have to give a certificate. An absolute rate of 3 annas per mile and (in case of the ways and a daily allowance of 2 or 8 lbs per each day spent in some degree the amount appropriate and less troublesome to deal with)

I would agree to the draft if it is considered absolutely necessary to grant t.a. in such cases.

The question of daily allowance has not arisen & need not be discussed.

In my opinion it is desirable to show in one place the whole cost of the conference. If this view is agreed to the modification indicated in pencil in the last paragraph of the draft may be approved.
